

CUBAN CIGAR FACTORY

ART SPACE

Pines & Palms has paired with the Vashti Center

Finally—a great space to make and display art! Thanks to the Cuban cigar industry that thrived in Thomasville in the 1890s, we have access to a stately, restored cigar factory on Vashti's campus. Its second floor, resplendent with windowed walls, high ceilings, and inspiring charm urges us to fill its rooms with art makers. Bring your easel, storage, stool/chair, and supplies to set up your own space.

\$50 per month for shared space. Other options are available, including private rooms (various sizes) and one with a dedicated bath.

Private, secure entrance and parking. Working hours, 9AM-9PM every day.
A criminal background check is required as the campus houses children.

For more information, call Sandi at 816-309-5131
