**TRAIL PERFORMER EXPECTATIONS:** As a Haunted Trail Performer, you are expected to adhere to basic guidelines to ensure an enjoyable and safe experience for both you and Museum guests. These guidelines are as follows.

- Halloween Howl attracts many families with small children, some of whom walk the Trail even though the suggested minimum age is 13. Consequently, as a performer, you must not use foul or inappropriate language in your efforts to scare people.
- You cannot touch or physically accost guests, and every effort will be made to ensure that guests do not touch or accost you. If they do, you must not retaliate. Instead, notify Security or the Trail Coordinator.
- You agree to arrive no later than 90 minutes prior to the opening of the Trail. *(An e-mail notification will be sent to you on specific times prior to the event.)*
- You agree that you are at least 18 years of age and in moderate to good physical shape.
- You will be on a darkened trail in a wooded area with minimal lighting. You agree not to have consumed alcohol or other substances that could impair your ability to function safely and appropriately in this environment.
- The Trail utilizes strobe lights and fog machines. If you have a medical condition that would be adversely affected by these special effects, you must notify the Trail Volunteer Coordinator immediately.

Periodic notices about the Trail such as scene assignments and appropriate dress will be sent to you via e-mail. There will also be at least one Haunted Trail Orientation prior to the event. Trail Performers must attend.

*By signing below, you agree to adhere to the guidelines outlined above and to notify the Museum as soon as possible if you commit to acting but find you are unable to participate.*
