## **FY22 COCA Grant Programs COVID Plan**

*This is a required component of your application but it will not be scored*

**Organization Name:**

**State whether your activity, service, venue, or event programming is in-person, virtual or both. For in-person programming, you must include a COVID safety plan to provide safe and secure programming. (4000 characters)**

Include the following:

- Guidelines for personal/group safety
  - Public health/sanitation measures
  - Standard protocols for visitors/attendees/general public and for participants/vendors/staff/volunteers/teams
- If you're providing only virtual programming, state that and write N/A as the response to the rest of the question.*
