Big Bend Community Orchestra's Young Artist Competition Concert and Silent Auction Fundraiser

This 100th performance will feature the first place winners of the 2022-23 Young Artist Competition.

The February event also marks the 100th concert of the BBCO's founding on February 10, 1994 and the beginning of the orchestra's 30th year. For over three decades, the BBCO has gathered musicians together to share the benefits of music with one another and the Big Bend community. It provides opportunities for musicians to learn and play orchestral music together, encourages school age children to become interested in music through educational programs, and performs orchestral music for the public.

This concert event promises to be a special one as it includes a silent auction which will display a myriad of wonderful items for audience members to bid on. A special reception will follow.

All proceeds benefit the Big Bend Community Orchestra.
