

COCA OFFICE

How to find the new COCA office at Domi Station

Directions

Domi Station is located at 914 Railroad Ave, Tallahassee, FL 32310
Whether you're coming from Gaines, FAMU Way, or the Square, you'll find the street to turn down right across from St. Francis Street, next to the Hampton Inn.

If you're coming from the former COCA office, we've provided a direct route by taking Saint Francis Street to cross Railroad Avenue.

How to find the new COCA office at Domi Station

Parking

Currently, there are three places for you to park at Domi Station. Parking spots are also designated on the map.

- The grass lot (*right*) will be available to park & is also located near the back entrance of Domi. The parking lot that is just past may also be available for you to park (*construction permitting*).
- You may also park in the Publix Greenwise parking lot.
- There is also a grass section to park across from the Publix Greenwise lot.

How to Get Into the Building

There are two entrances to the Domi Station. If construction is complete, you may enter from the front entrance of the building. You may find this by walking around the building (*on the right side of the picture*), where you will locate a small ramp leading up to the doorway. This leads right to the COCA space.

If construction continues, you may enter through the back entrance door, as seen in the upper left corner of the picture above.
