I am a professional artist who specializes in painting women in the community. My goal is to empower and represent women everywhere. I have lived in Tallahassee for almost 5 years now, and I am absolutely in love with the art community. This community is so special due to the fact that they are so supportive and provide a beautiful array of opportunities to artists of all genres, and skillsets. Artists are historically the true pioneers in progressing society forward in order to expand awareness of social issues. I believe it is so important to cultivate opportunities for artists to share their voice and further benefit society by raising awareness through unique and powerful voices. Since I am personally an artist, I believe that I could help represent other artists in the community since I wholeheartedly relate to the artistic process/experience.

Laurel Blackthorne Pronouns: (they/them) I am a community and self-taught ceramic artist. I've lived in Tallahassee for almost twenty years and absolutely love the community I have found here. While I've been working with clay for six years, I transitioned to a career in the arts in late 2020 out of a desire to engage with the world in a different way. My art focuses on themes of nature, queerness, resistance, and joy and I make a combination of functional pottery and ceramic sculpture. I think the strength of art is its ability to bring people together. Alongside my own artistic practice I work as a pottery instructor specializing in beginners and decorative techniques. In 2022 I taught well over 350 students in a variety of settings. I am also one of the founding members and the Executive Director of the Queer Tallahassee Artists Collective. Founded in 2021 QTAC is committed to building economic opportunity and community spaces that celebrate LGBTQIA+ artists. Last year we organized 11 art markets featuring over 50 artists, received a \$10,000 grant from the Trans Justice Funding Project, opened a free art supply closet, and ran virtual art hang outs. I am deeply committed to the importance of arts in the Tallahassee community and recognize the importance of creating safe spaces for marginalized communities to engage in the arts. As a member of the board I would be excited to contribute my experience as a working artist in Tallahassee connected to the ceramics and LGBTQ+ art community.

My academic background includes a BA in Psychology (SUNY New Paltz) and a BFA in Studio Art. I've just been accepted into the Public Interest Media & Communications MA at FSU. I'm a part-time artist and have worked with Cat Family Records as Art Director for 2+ years, working to curate events, produce publications, and assist with marketing materials. My contributions to the committee would include not only an intimate understanding of the Tallahassee art community, but a critical perspective -- a drive to push Tallahassee forward (becoming more inclusive, facilitate important discussions about the community, etc.). I've worked with 621 installing artworks, planning and executing events, and reviewing art applications. I have strong administrative skills as well as a creative eye.

I was born here in Tallahassee, Florida and have lived here my whole life. Both of my children were born here, and most of my family is here-- I am a "Tallahassee Lassie". I am an active member of the Tallahassee music community and play in a band with my husband and brother called The New 76ers. If appointed, this would be my first seat on a Board or Committee, but I have experience working with a Board for my day job and I think this experience will serve me, if I am chosen as a Practicing Artist member.

Adam Kaye is the Founder & Principal of The Art District (www.ArtDistrict.com). For the last 20 years he has been growing Tallahassee Florida's Art District which now consists of almost 200,000 square feet of space on almost 20 acres of land across 3 separate locations within the city's urban core. His path began when he inherited a warehouse complex at the age of 16 upon the passing of his mother. Today his community consists of almost 150 creative micro businesses, artists, galleries, shops, restaurants, & non-profits. Through his collaboration with the community and local government, a walkable, bike-able, live/work/play urban corridor is emerging where diversity, inclusion, creativity, and commerce converge. In addition to real estate development, Adam Kaye has personally curated over 25 murals and other public art projects, turning his properties into a free public art gallery, which has become the most photographed area of the city. One of the most iconic murals he curated is by local Artist, Kenny Maguire, who depicted an incredible rendition of "Alice in Wonderland" depicting both Alice and the Queen of hearts as African-American women, defying traditional literary stereotypes. In his personal life, Adam enjoys outdoor sports, foreign languages (Spanish, French, and Mandarin Chinese), and traveling (63 countries visited) which allows him to seek inspiration and influence for his public art and community design projects.

I was born, raised and have lived in Tallahassee, FL for the majority of my life. I am a graphic designer with experience in teaching, print/longform design, brand development, large-scale murals and more. Previously, I worked with Rowland Publishing, Inc. as an Art Director and have become quiet family and close with our Tallahassee community. I have since transitioned to working as an independent freelancer and have made close relationships with TLH Downtown, local design agencies and local businesses. I am an equal rights, arts, animal and earth advocate, motivated by community and making a change. I believe I would a great asset to the board.
