The Junior League of Tallahassee joined a 2-year partnership with Sabal Palm Elementary which launched in August 2022 and continues to 2024. Sabal Palm Elementary, A Community Partnership School brings together high-quality academics, healthcare, counseling, support, mentoring and more—all where students and their families are comfortable: in their own school. Sabal Palm Elementary, A Community Partnership School is a partnership among Children's Home Society of Florida (CHS), Florida A&M University (FAMU), FSU Primary HealthTM and Leon County School District. The Junior League of Tallahassee is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

II. SCOPE OF WORK

Description

- The mural must be installed using high quality materials, able to withstand Florida weather conditions and appropriate for painting on cinder block. Please note the cinder block is currently coated in a latex paint.
- The mural location is covered but is still open to the elements.
- A COCA team member will be available on the installation day to assist as needed.
- The chosen wall for the mural placement is 36 ft long and 9 ft high
- There is a second wall beside the chosen wall that is 10 ft long and 9 ft high. Sabal Palm is fine if the artist wants to expand to that wall as well and there is a wall across from the chosen wall that the artist can also paint if they wish.
