The City of Tallahassee and Leon County will celebrate its Bicentennial in 2024. This provides an opportunity to engage the community in the rich history of Tallahassee and Leon County over the past 200 years and the vision of the community in years to come. The Bicentennial is envisioned to be a community-wide celebration that not only engages all segments of the community but shares residents’ experiences and stories of Tallahassee and Leon County from their unique perspective. Please describe how you will incorporate the Bicentennial into your programs in 2024.

This question is not scored or part of scoring criteria. COCA is working on bicentennial events; this is merely a fact-finding question to see where we can coordinate our efforts.

The final score will be calculated by taking the average score of the panelists, dividing it by the total possible score (this number will vary based on the total number of programs the applicant has applied to), then multiplying by 100.

Final score = average score/total possible points x 100

When determining the final scores for funding purposes, numbers will be rounded to two decimal places only and not to the whole number. For example, 89.99 will not be rounded to 90.
The final score will be used to calculate the recommended award using the following table.
