21	Honestly non university owned museum would be what I would most like for Tallahassee. The Mary Brogan was a quite a loss.	11/13/2023 3:06 PM
22	Flash funding (even small grants of \$500 or so) that has quick and immediate benefits. Funding that I've seen in the past has entailed a very detailed and time consuming process with several restrictions for monies available the following year. Funding needs to be more accessible and timely. People don't live a year in advance. The funding is perfect for organizations that are used to the process but what I've seen is largely inaccessible to individual artists.	11/9/2023 7:58 AM

We are stretched too thin already. Thanks for asking	10/31/2023 10:18 AM
