Cash and cash equivalents: These are the current funds on deposit in the bank. Current liquidity position is solid, looking at the current funds (\$2.4M) on deposit in the bank.

Contract Receivable: This amount represents Q1 collections of the County Bed Tax contract.

Grants Receivable: This represents amounts that have been committed to COCA by the State and other organizations as result of awarded grants. This amount represents \$30K of the NEA Grant and the \$38K State Grant

Deferred Contract Revenues: It is the amount that was received by COCA in advance of earning it. The amount unearned (and therefore deferred) as of the date of the financial statements is reported as a liability until the service is performed for which these funds were designated, at which point revenues will be recognized along with the matching expenses. This amount represents the accumulated bed tax collections after all the grant contract liabilities are paid.

Deferred Grant Revenues: It is the grant amount that was received by COCA in advance of earning it. This amount represents the State LAA Grant.

Grant Payable: Capital facilities matching grant from previous years, along with the Cultural & Marketing grant for FY24 yet to be paid to the awarded grantees.

Due to Third Parties: COCA acts as fiscal agent for certain nonprofit or art organizations in order to assist them in securing a grant funding. This balance represents liabilities towards other organizations that are yet to be paid.

Unrestricted Net Assets: It represents COCA's reserve at a given date, which means that after collection of all the receivables and satisfying of all the obligations/liabilities, the funds left for COCA's disposal if COCA would decide to dissolve at that given date.
